EXHIBIT SPACE LICENSE AGREEMENT

Page 2

Subject to acceptance by The Genetics Society of America (GSA), Exhibitor, as named on page 1 of this document, hereby contracts for a license to use exhibit space(s) at the 17th International Xenopus Conference (hereafter referred to as Conference) at the University of Washington, Seattle, solely for the purpose of exhibiting a display having educational or practical application in the field of genetics and/or biological research which emphasizes instruments, publications, supplies, products or services for use in teaching or research. License will not be granted for exhibits that principally express a point of view.

Exhibitor agrees that it will use the space solely for an exhibit. Company/service/product descriptions not exceeding 50 words in length, received by April 26, 2018, will be printed in the Program Book. Longer descriptions will be edited or returned to the Exhibitor at the discretion of GSA. Contracts not containing a description will cause the listing to be limited to the information contained on this contract. GSA reserves the right, without refund, to refuse to allow the placement or maintenance at the Conference of any exhibit that does not in good faith substantially conform to the description provided with this instrument or which contains unrelated material(s).

To secure space, Exhibitor has enclosed with this application the total payment due based on date of application; number of booths and commercial or non-profit status. Payment by check or charge to VISA, MasterCard, Discover, or American Express will be accepted. GSA agrees that Exhibitor may cancel or reduce the amount of space applied for on this agreement on or before January 8, 2018, and that if it does so, the entire amount will be refunded. If Exhibitor cancels this agreement or reduces the amount of space applied for before April 26, 2018, GSA may retain 50% of the payment for each space reserved. If Exhibitor cancels this agreement or reduces the amount of space applied for after April 26, 2018, the total cost of reserved space will be retained by GSA.

This contract solely confers a license by GSA on behalf of the Conference to Exhibitor to use a space or spaces to be assigned for exhibition purposes in the exhibit area of the conference. It shall not be construed in any way as an approval, endorsement or recommendation of the content of any exhibit or the products or services displayed in an exhibit, nor to create any agency relationship between GSA and Exhibitor, nor entitle Exhibitor to any use of the name "The Genetics Society of America" or the initials "GSA" except that reference may be made to the meeting as "Conference" (with place and dates) in the Exhibitor's advertising. GSA's sole responsibility and obligation under this contract is to permit Exhibitor to use the assigned exhibit space. The exhibit and its installation shall be solely the responsibility of the Exhibitor. Exhibitor warrants that it shall, at its own cost and expense, obtain all necessary licenses, permits and insurance required for its installation and maintenance of its exhibit and any of its employees or agents associated with its exhibit and that it shall pay all taxes and fees incident thereto.

Security for Exhibitor Materials, Employees, and Property: *Exhibitors are solely responsible for the security and safety of their equipment and materials.* Exhibitors should consider hiring security to guard their exhibit and materials during times when Exhibitor's personnel are not staffing the exhibit. The GSA and its employees, the University, the GSA Boards of Directors, shall not assume liability for any losses of any materials nor items taken from the exhibit hall nor from the University. *Exhibitors are expected to take all appropriate measures to safeguard their displays and equipment.*

In consideration of the grant of the license, Exhibitor agrees that it shall be liable for any loss or damage to its exhibit or any of its property or the property of its employees or agents and for any loss or damage which may be caused to others as a consequence of its exhibit or acts or failure to act by its employees or agents and further agrees to protect, indemnify and hold harmless GSA, the University, GSA Exhibit Management and their respective officers, employees and agents from all claims, losses, damages, or any other costs (including, but not limited to, governmental charges or fines and reasonable attorneys fees and litigation costs) arising out of Exhibitor's use of exhibit space, as well as any additional costs incurred as a consequence of any material or equipment remaining, left or abandoned by Exhibitor after the time for removal of such material or equipment. Exhibitor acknowledges that GSA does not maintain any insurance covering Exhibitor's property or its use, or covering Exhibitor's employees or agents.

Exhibitor agrees to comply with the terms of this Agreement and with the Rules and Regulations for exhibiting incorporated herein by reference and further agrees that GSA may terminate Exhibitor's license to use exhibit space, without refund, if Exhibitor, after notice, shall fail to immediately cure any violation of the Rules and Regulations.
